GENERAL PRICE LIST

THESE PRICES ARE EFFECTIVE January 1, 2009 BUT ARE SUBJECT TO CHANGE WITHOUT NOTICE.

The goods and services shown below are those we can provide to our families. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF. \$1,280

Our basic service charge includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; placement of obituary notices; planning of funeral arrangements; and coordination of service with cemetery, crematory, vault companies, and others as required..

This fee for our basic services will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains.)

EMBALMING.....\$580

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. State law requires that embalming or other disposition be made within 24 hours.
